◆2. Announcement-----

[1] JCM Business Matching Site “JCM Global Match” invites you to sign up!

★JCM Global Match, which was released in July 2019, enables the companies offering low-carbon and decarbonizing technologies (sellers) and companies in JCM partner countries implementing such technologies (buyers), to find a partner to jointly undertake a JCM project (the Financing Programme for JCM Model Project covers up to 50% of the investment cost, ranging from approx. 50 million to 2 billion JPY). The users also can make appointments to meet in person at one of the JCM seminars. Registration is free of charge, and the platform is open to consulting firms and financial companies as well.

Please follow the URL below to sign up today!

★JCM Global Match Top page: <https://gec.force.com/JCMGlobalMatch/s/>

★ Registration form :

[2] JCM Seminar in Bangkok, Thailand will be held on Thursday 12th September.

JCM Seminar in Bangkok, Thailand will be held on Thursday 12th September. A Business Matching session is happening, too!

Details available here: http://gec.jp/jcm/news/seminar2019thailand_info/

[3] Call for public comments on JCM proposed methodology "Introduction of energy efficient

and high color rendering LED downlight/spotlight" (Indonesia) (29 August to 12 September 2019)

Call for public comments on JCM proposed methodology "Introduction of energy efficient and high color rendering LED downlight/spotlight" (Indonesia) (29 August to 12 September 2019) has been started.

The information on recent development in Indonesia is available at:

<https://www.carbon-markets.go.jp/eng/jcm/initiatives/indonesia.html>

◆3. News Release from Government of Japan -----

[1] Memorandum of cooperation between the World Bank and the Ministry of the Environment of Japan on collaboration for scaling-up of the Joint Crediting Mechanism (JCM)

• A Memorandum of Cooperation (MoC) was signed between the World Bank and the Ministry of the Environment of Japan (MOEJ) to scale up the Joint Crediting Mechanism (JCM) projects under Article 6 of the Paris Agreement.

• The MOEJ continues to contribute the development of appropriate framework to utilize the market mechanism under Article 6 of the Paris Agreement by developing the JCM through collaboration with the World Bank's various initiatives and programs.

News by the Ministry of Environment, Japan is available at:

<http://www.env.go.jp/en/headline/2415.html>

Brief by the World Bank is available at:

<https://www.worldbank.org/en/topic/climatechange/brief/joint-statement-by-the-world-bank-and-japans-ministry-of-environment-announcing-a-collaboration-on-the-jcm-and-programs-for-future-climate-markets>
