--Updated: UNFCCC COP19/CMP9 (Warsaw, Poland): Overview of JCM Partners Roundtable

--Actions for Cool Earth- --

At the COP19 held in Warsaw, Poland, Mr. Ishihara the Minister of the Environment of Japan convened a meeting with countries which signed the bilateral document for the JCM. The meeting was attended by the representatives from all the signatory countries. Mr. Ishihara announced the Government of Japan's strong commitment for promoting projects for the JCM through various schemes, and at the same time expressed his intention to double the signatory countries in 3 years. The room was full of audiences. Representatives from signatory countries also gave their strong support and positive remarks for mitigation actions to combat climate change through the JCM. The meeting brought a sense of integrity among participants and fostered strong momentum for the further promotion of the JCM.

Updated: List of Third Party Entities (TPEs)

Under the JCM scheme, Third Party Entities (TPEs) can verify whether a proposed project fits the eligibility criteria in objective manner. In addition to DOEs, ISO14065 certification bodies can also conduct validations. TPEs selected to validate the project can also conduct verifications. A list of TPEs will be updated accordingly on the website.

The list is available at JCM Partner Country Information:
