-- Video Coverage: UNFCCC Official Side Event on the JCM hosted by MOEJ/OECC/GEC

--

On Monday December 8, 2014, delegates to the UNFCCC COP-20 discussed the Joint Crediting Mechanism at the event, titled 'Actions for Low Carbon Development in Developing Countries through the Joint Crediting Mechanism.' The Joint Crediting Mechanism, sponsored by Japan, diffuses technology and knowledge for low-carbon development in developing countries.

Video Coverage prepared by IISD Reporting Services is available at:

<http://vimeo.com/114006215>

This video prepared by IISD Reporting Services explores how developing countries have benefited from the mechanism following the event organized by the Ministry of the Environment of Japan, the Overseas Environmental Cooperation Center, Japan (OECC) and the Global Environment Centre Foundation (GEC).

Side event report by the organizer will be uploaded accordingly at:
